STEFAN ANGELOVSKI

International CE Driver — Long-Haul and Tramping · ADR Basic + Tank · Pharma Cold Chain (GDP) · Intermodal
Sofia, Bulgaria · +359 879 105 874 · stefangel90@gmail.com

EU citizen — no work permit · Available immediately · Sofia based · Base or hotel needed for the weekend rest

PROFILE

International CE driver, three years continuous long-haul across Benelux, Scandinavia and northern Germany: pharmaceutical cold chain for Leman under GDP, curtain-side freight for DSV and LKW Walter, retail distribution for Jysk, temperature-controlled supermarket delivery, and terminal work at Malmö. ADR Basic + Tank; plans routes and manages AETR / EC 561-2006 compliance unsupervised.

Seeking direct employment with a Dutch, German or Danish fleet operator on a documented collective-agreement contract — not an agency placement or subcontracting.

LICENCES, CERTIFICATES AND LANGUAGES

CE licence (truck + trailer) · Code 95 / Driver CPC · ADR Basic + Tank · Digital tachograph driver card · High school diploma (Bulgaria)

GDP driver training — Leman, doc. PH-02-10419 v4, issued 08.07.2026, valid until 08.07.2027: temperature set-points, monitored cold chain, validated loading and unloading.

Languages: English C2 · Bulgarian native · Macedonian native · German basic (A2)

PROFESSIONAL EXPERIENCE

International CE Driver — Benelux and Scandinavia, long-haul

2023 – present

Long-haul freight for DSV, LKW Walter, Jysk, Leman and Pfenning; GDP driver training through Leman's subcontractor Interlink.

- **Pharmaceutical cold chain (Leman)** — GDP pharma loads with continuous temperature monitoring and validated loading and unloading; passed the carrier's assessment on driver conduct and safety protocol.
- **General freight and retail (DSV, LKW Walter, Jysk)** — time-critical curtain-side transport, retail store fulfilment and high-volume distribution on fixed cross-border schedules.
- **Supermarket distribution** — multi-drop delivery under tight time windows, with temperature-regulated food logistics and cold storage handling.
- **Terminal and intermodal** — terminal handling at Malmö and intermodal container freight on northern European corridors.
- **Route planning and compliance** — independent routing, driving-time and rest management under AETR and EC 561/2006, digital tachograph records and daily coordination with dispatch in English.
- **Schedule flexibility** — works fixed weekly schedules as well as three- to six-week rotations; needs a base or hotel for the 45 hour weekend rest, anywhere on the route.

Earlier roles

2008 – 2023

Community moderator, Telegram (2022–2023): international channels. · Founder, Atletiks Fitness (2014–2017): operations for 50+ clients, scheduling, accounting. · Operations manager, Gorast Komerc (2008–2011): workflow coordination and seasonal planning.

KEY SKILLS

- **Cargo and equipment** — curtain-side, refrigerated and thermal trailers, ADR tank; load securing and cargo care to European standards.
- **Compliance and documentation** — GDP cold chain, AETR and EC 561/2006, Code 95, CMR documents, temperature control sheets and tachograph records.
- **Working style** — three years running international routes unsupervised; punctual, documented handovers.
